

UCLA Center for Cannabis and Cannabinoids

2026 Annual Symposium

From Hemp-derived Products to Schedule III Cannabis

New Frontiers Impacting Patients and Policy

[Register Here](#)

Thursday, May 14, 2026

10:00 AM - 5:00 PM · In-Person & Zoom

The cannabis landscape is changing faster than ever. With hemp-derived products ubiquitous in the consumer market and federal rescheduling of cannabis to Schedule III reshaping access and regulation, there has never been a more important moment to take stock of where we are and where we are headed.
